#### RECORDS: DEALERS AND EXHIBITORS.

Every dealer other than operators of auction sales and brokers to whom animals are consigned, and exhibitor shall make, keep, and maintain records or forms which fully and correctly disclose the following information concerning animals other than dogs and cats, purchased or otherwise acquired, owned, held, leased, or otherwise in his or her possession or under his or her control, or which is transported, sold, euthanized, or otherwise disposed of by that dealer or exhibitor. The records shall include any offspring born of any animal while in his or her possession or under his or her control.

\*\*\*There were incomplete records available for births of Patagonian caviar. Need to keep complete records of all animals born and all animal deaths. Correct by October 20, 2003.

#### FACILITIES, GENERAL.

(a) Structural strength. The facility must be constructed of such material and of such strength as appropriate for the animals involved. The indoor and outdoor housing facilities shall be structurally sound and shall be maintained in good repair to protect the animals from injury and to contain the animals.

\*\*\*There are gaps under the fence where the Patagonian caviar are housed and some have escaped their pen. One caviar was observed outside the pen within the perimeter fence area. There are also some gaps under the perimeter fence where some kind of animal has passed thru as evidenced by worn dirt/path under fence. Need to eliminate gaps under primary enclosure fence and perimeter fence to prevent animals from entering/exiting the enclosure or zoo. Correct by October 25, 2003

- Portions of the chain link fence in camel pasture are partly bent down on top. Need to keep enclosures in good repair. Correct by November 30, 2003.

- Shelter in juvenile tiger pen has hole in roof. Need to repair/replace shelter to provide adequate shelter from the elements. Correct by October 30, 2003.
